Special Gifts Theatre (SGT)

SGT is a “one-of-a-kind” organization that provides the opportunity for children with special needs to develop, grow and blossom through a unique combination of classroom experiences, theatrical training and performance. The mission of SGT is to provide children and teens with special needs, a unique, creative drama experience enabling personal growth, while breaking down stereotypes related to disabilities within the community at large.

Professional Staff Needed

Currently, the program is recruiting occupational, physical and speech therapists, special education teachers, classroom aids, stage managers and theater specialists to work with children with special needs. The students in the program range in age from 3 to 21 years old who possess a wide array of special needs: physical, cognitive, social/emotional and learning.

Time Commitment

Depending on the program: Early Childhood (3-6 years old), Creative Drama (7- 9 years old) or Musical Theatre (10-21 years old) the location, day of the week and time of the program will vary. In all cases, this is a part-time, after school opportunity. It is best to indicate on your cover letter what days and times you would be available and then we can determine what program would work best with your schedule.

Please complete the online employment application and send that with your cover letter and resume to Cheryl Bane, Human Resources Manager, via email to cheryl444@gmail.com or US mail SGT, P.O. Box 2231, Northbrook, IL 60065.
